SOFTWARE ENGINEERING INTERN

Durgapur, West Bengal | +91 8768571849 | sujit8768571849@gmail.com

Objective

A promising software developer already equipped with the knowledge of basic computer science concepts and real-world practice in cloud architecture and full-stack development. He is a final year student pursuing B.Tech in Computer Science and Engineering, he has had an experience as an intern in MERN technology at Ardent Computech and AWS Cloud Architecture at AWS Academy. I am excited about utilizing my technical skills, problem solving skills, and innovation drive to support Google's advanced projects- this way propelling solutions that will be used globally.
